

Mission

Our core business is handling hazardous liquids—safely, sustainably, and more efficiently than anyone else in the industry.

Values

Professional

Skilled, dedicated and compliant. Show the right behavior and attitude.

Sustainable

Aim for longterm success. Provide safe and enduring solutions.

Vision

We shall be a world-class and preferred global provider of transportation and storage of specialty bulk liquids.

Proactive

Assess risk and give highest priority to safety. Take proper precautions and share knowledge.

Innovative

Embrace change. Develop and implement new and improved solutions.

Impact

At Odfjell, we recognize that our company impacts the environment, people, and society.

We are committed to operating a sustainable business, continuously seeking improvements, and actively supporting the achievement of relevant UN Sustainability Development Goals.

Customer commitment

We are committed to generating value for our customers by offering safe and reliable transportation and storage of their products at a competitive cost.

Our goal is to deliver on-spec, on-time and to adapt our services to cater to the needs of our customers.

Guiding principles

Safe	World class	Core business
We do not compromise on safety	We have world class ambitions in everything we do, every day	Chemical tankers and terminals are our core business
